Welcomes

After a long hot summer of cricket Cornwall Cricket Club welcome you to the 2016 National Club Cricket Championships the 22nd one to be held here at Cornwall.

We continue to have the support of a very generous principal sponsor New Zealand Community Trust (NZCT) who has provided support primarily for travel and accommodation. We appreciate the ongoing support of them and our regular and new sponsors without whom this event would not be possible. Our grateful thanks to you all.

Thanks again to NZ Cricket and Auckland Cricket, your generous support and assistance is highly valued.

Thanks also to the many volunteers, umpires, scorers, grounds staff who assist in the operation of the Championships.

Our congratulations to the Regional teams who have qualified for the finals. Best wishes and good luck for an enjoyable and successful week of cricket.

Cornwall Cricket Club

History of the National Club Cricket Championships

The idea of a national club championship was initially born in the 1970s and Cornwall and HSOB from Canterbury played in the inaugural final held at Cornwall Park in 1976 where Cornwall emerged the victors. In those days the competition comprised 40 8 ball overs, and included a requirement for 15 overs of spin to be bowled.

The teams that day comprised some great names of NZ Cricket including Richard, Dale and Barry Hadlee, Cran Bull, Wayne Burt, and Alan Hounsell for HSOB and Rodney Redmond, John Kasper, Graham Vivian, Arch Taylor and Dave Anderson for Cornwall, all of whom were current or former, first class or NZ reps.

The tournament ceased in 1978 and was resurrected in 1994/95 when Cornwall took it upon itself to try and organise a new national club competition. The initial format was based on a 3 day tournament with 2 groups of 3 playing two matches each with the top 2 teams playing in the final which was between Grafton from Auckland and Burnside West from Canterbury. Grafton eventually emerged victorious from a match that was played in occasionally heavy rain!

The early days were a bit of a struggle as some Associations found it difficult to accept that a club such as Cornwall should conduct a 'national' tournament and there was a reluctance to support the event at NZC level. However the club persevered with its vision and thankfully NZC and all MAs now support the tournament for which we are grateful.

This support has allowed the event to evolve into a full round robin tournament played over 6 days with each of the 6 participants playing each other in order to determine the finalists.

As time has gone by it has been noticeable that teams have become more focussed on the goal of winning the title of national club champions as the event has gained prestige throughout the grass roots cricket community, not to mention of course that there is substantial prize money to be won also!

Victoria University from Wellington and Green Island from Otago have had the most success at the tournament with University winning 3 titles and Green Island winning a mammoth 5 titles.

There have been many NZ reps who have featured in the tournament over the years including Gary Stead, Lorne Howell, Matt Horne, Heath Davis, Alex Tait, Brooke Walker, Kerry Walmsley, Geoff Allott, the Marshall twins, Matthew Bell, Jesse Ryder, Michael Papps, James Franklin, Rob Nicol, Nathan McCullum, Andy McKay, Ian Butler, and most recently Andrew Ellis, Tarun Nethula, Todd Astle, Colin de Grandhomme, Colin Munro, and Trent Boult.

Famous Club Perspectives

There have been a number of NZ's finest cricket clubs represent their association at the National Club Cricket Championships. Some have been successful and some are yet to register a championship. Here are some of the regular competitor's thoughts on the National Club Champs from their clubs perspective.

Green Island Cricket Club – 1997-98, 1998-99, 1999-2000, 2001-02, 2002-03, 2004-05, 2005-06, 2007-08
Jeremy Scott (Green Island CC Secretary)

Green Island has really enjoyed the NZCT NCCC at Cornwall. Winning obviously helps. It's always a thrill to win the Knockout final in Otago and earn the right to represent Otago at the Tournament.

From my perspective it's great for club players to play the best from the other provinces as well as face or bowl to established first class players and the odd current Black Cap. Gary Stead, Lorne Howell, James Franklin, Ewen Thompson, Heath Davis, Aaron Barnes, Alex Tait, Jesse Ryder, Michael Papps, Ryan Burton, Bradley Scott, Jordan Sheed, Dion Lobb, Nathan McCullum, Brooke Walker, Mayu Pasupati, Chris Gaffaney, Shane Robinson and Anthony Harris are all guys I recall playing in the tournament at some stage.

To be able to call yourselves NZ Club Champions is a great thrill and something GI is very proud of.

Some highlights include winning our first title. GI were 80/6 needing 170 to win. A Cornwall Life Member passed our Manager and quipped "I guess Green Island is just happy to make the final"; at 171/6 he took great joy in saying "yes we are".

The 'Auckland rain' has been a curse and a blessing washing out one final and ensuring we won one on run rate.

Seeing Cornwall finally get across the line in the Final after waiting a few years was also a highlight.

The GI boys have established a supportive culture of the Cornwall Club when we're up there and I think a reflection of their respect and appreciation was when a few boys painted "RATS" on the hill one night - the Cornwall Club couldn't manage to stay too annoyed or angry with the perpetrators.

GI always feel well looked after by the bar staff, grounds staff, supporters and organisers when we make the trip north. The local hoteliers possibly don't always look forward to the arrival of 70 players from out of town - midnight fire alarms, games of indoor cricket and celebrations don't always go down too well with non-cricketing clients.

On one early trip our wicketkeeper had his bed shifted outside while he slept. He woke at 6 thinking the rain sounded quite loud.

It's been a fantastic tournament - to have 3 matches being able to be played next to each other at the one venue with 3 artificial wickets to ensure we all stay together is fantastic.

Playing on the number 3 ground is an experience everyone should have the opportunity to do at least twice during a trip. Low scores seem more normal than big ones and it's a fantastic challenge to bat and bowl on it.

We hope it's not too long before Green Island can again sing our victory song in one of the tents or changing rooms located at Cornwall Park.

East Shirley – 2000-01, 2001-02, 2002-03, 2005-06, 2006-07, 2009-10, 2010-11, 2013-14
Tim Papps (East Shirley Captain)

East Shirley has attended this tournament numerous times in the past seasons. This tournament has provided great value to the club from the development of players and personal point of view. As club players some never experience playing against club teams from other regions and this tournament is fantastic for testing your skills against the other provinces.

East Shirley has had great success in the tournament, winning it in 2011 was a career highlight for many of the stalwarts of the club. We have also managed a first equal and a second after a washed out final.

The tournament structure is fantastic, testing the depth of your squad and providing a great end to the season for teams looking to get away on a trip.

From East Shirley we always strive to make it up to the tournament as it is the pinnacle of club cricket in New Zealand.

Howick Pakuranga – 1999-2000, 2004-05, 2005-06, 2006-07, 2008-09

Dipak Patel (Howick Pakuranga Coach)

The National Club Championship is a very valuable end of season tournament, played by the best Clubs from provinces throughout NZ. Cornwall Cricket Club which is in charge of running the event does so very professionally and there couldn't be a better venue that cricketers would want to play at.

It is a huge incentive for Club teams to win their respective one day competitions to qualify for the week-long tournament, played very competitively by all teams.

Howick Pakuranga Cricket Club has had reasonably good success over the last decade and we have used this event to blood a lot of our younger players and this has proved to be extremely fruitful.

In the last decade HPCC have made four of the finals and won one.

Eastern Suburbs – 1994-95, 2001-02, 2002-03, 2011-12, 2012-13, 2013-14

Gordon Dry (Eastern Suburbs Club Manager)

2014 was the 6th time that the Eastern Suburbs Cricket Club of Wellington took part in the National Club Cricket Championship. It is perhaps more fitting to recognise that the Club took part in the inaugural championship in 1994.

Our players always enjoy the tournament - it is well run and the weather is usually kind. It is seen by our Club as a fitting reward for our players at the end of a successful club season in our region.
